

Boarding Daycare Grooming

**“Where our family
takes care of yours”**

June 21, 2021

**Every pet owner should
have in place...**

...your Pet Safety Plan
(+put it on your fridge)

- * Know a safe place for you and your pet(s) ahead of time.
- * Have a current list of pet friendly shelters.

Your Pet Disaster Kit

- * Food and water for 5 days, bowls, can opener
- * Medication, medical records, current photo.
- * Name and description of pets + your contact info.
- * Leash and secure collar with ID-tag & phone #
- * Pet bed, toys, litter & litter-box, garbage bags, food and bottled water for 4 days.

HURRICANE SEASON 2021

Preparing for yourself and your pets is important and makes sense. Keep you and them happy and safe!

GET READY AND BE PREPARED

Upon an official announcement by the authorities of a Hurricane Watch for the SWFL area BBK may call customers boarding with us at that time and may ask them to pick up their dog(s)/cat(s) within 24 hours. Boarders whose owners are away from SWFL at that time and have no one to pick up their pets will be taken care of in safe conditions at BBK. Our facility is hurricane proof, has cameras and an ADT alarm system. BBK Team members will be on call during actual hurricane conditions.

Hurricane Watch

Hurricane conditions could happen within 36 hours

Hurricane Warning

Likely hurricane conditions within 24 hours

Active Hurricane:

Category One	74-95 mph - dangerous winds - flying debris
Category Two	96-110mph - extremely dangerous winds
Category Three	111-129mph - devastating damage will occur
Category Four	130-156mph - major damage - high risk
Category Five	157mph + sustained winds - CATASTROPHIC
